Notes: This is Dokic J7's third sale bull. They have all been very balanced bulls and he will grow into an impressive herd improver himself. Ted & Robin Barton "Biloela" south of Tamworth and the Smith Family North Star/ Flinton Qld have purchased brothers previously.

-- ROTOKAWA 690		-- BENOAK ELSA E19		
-- ROTOKAWA 355		-- BENOAK ELSA W6		

Notes: We tried this NZ bull 982 after looking around for some semen that we felt would fit in with our "type", I'd heard some good reports about him so thought he was worth a try. His progeny fitted right in!!! Once again if it's

natural thickness your chasing this bull has plenty and remember it's off a complete grass preparation, doesn't get better than that.

Lot 4

BENOAK JOHN S25 (P)	Born: 1/10/21	Ident: OAKS25	Reg : NO	Hetrozygous Poll
- BONGALABI BON FANTASTIC (P)			-- BENOAK GUNSMITH E16 (P)

-- GUNDOOEE MEG 21 (P)			-- BENOAK DEVON COW WH9142	

Notes: Plenty of stature with a great temperament. A good mixture of blood to make him a very complete young bull.

Lot 5

-- GUNDOOEE MEG 31 (P)			-- BENOAK ENA J13		
-- GUNDOOEE MEG 21 (P)			-- BENOAK ENA A18		

Notes: The heaviest bull in this year's draft and has been all the way through. His dam line are all deep bodied females that produce good cattle consistently. Will grow into an impressive bull with age.

Lot 6

BENOAK JOHN S34	Born: 23/9/21	Ident: OAKS34	Reg : NO	Horned
- BONGALABI BON FANTASTIC (P)			-- PARK HILL BARS K23H (SFA)

-- GUNDOOEE MEG 21 (P)			-- BENOAK ENA J13	

Notes: Used over heifers as a yearling in a six week joining. Once again an excellent carcass in a modest frame, note his dam goes back to the Ena line like Lot 5, as have many good young bulls over the years!

Lot 7

BENOAK MARCUS S42	Born: 10/10/21	Ident: OAKS42	Reg: YES	Horned
-- BARNSTAPLE KAISER Y126			- PARK HILL BARS K23H (SFA)

-- BENOAK ANNE V7			-- BENOAK CINDERELLA G1	
-- BENOAK ANNE N10			-- BENOAK CINDERELLA D1	

Notes: Used over heifers as a yearling in a six week joining. Lot 7 & Lot 8 are the last son's offered by Commodus F57 although his legacy is everywhere throughout our herd. Plenty of the Barnstaple Marriot blood with a bit of the famous Park Hill Bars line to boost.

BENOAK ENA N51

-- BENOAK EMPEROR F49 $\frac{3}{4}$ Devon – $\frac{1}{4}$ South Devon

-- BENOAK ENA F4

-- BENOAK ENA Z2

Notes: Used over heifers as a yearling in a six week joining. Once again plenty of Marriot blood in this young bull, it just clicked so well with our herd we kept using it. He's already done a season yet maintains his condition and is ready to go again!
